

## Local Networker Volunteer (Remote)

### Join our team!

By 2022 we want to establish a vibrant UK network of Help Points, volunteers, and trained health and care professionals, all creating and using personal playlists in their communities to help improve the lives of people living with dementia.

This is a new and exciting opportunity to join our team. We are looking to recruit Local Networker Volunteers working in various locations across the UK to help develop our network of community [Help Points](#).

### What's involved?

- This is an online role, volunteering remotely using email
- You'll be raising awareness in your local area (or allocated region)
- And mapping your area for potential Help Points
- You'll help increase the number of Help Points in your area
- By contacting potential Help Points such as community organisations and groups to encourage sign up
- There will be opportunities to deliver online talks and support the team with webinars

### Skills, experience and equipment

- We're looking for a highly motivated person with a pro-active and enthusiastic approach
- Strong communication skills
- Good IT skills with access to a computer and internet
- An interest in helping people living with dementia and those who care for them
- Experience of community networking and mapping would be advantageous

### Support you will receive

- You will receive an induction and training
- You will work alongside a Local Organiser
- You will receive a Playlist for Life email account
- You will receive ongoing support and supervision from a Local Organiser
- There may be other opportunities based on your skills and interests
- You will gain valuable experience of working in the third sector

### Location and hours

- This is a 3-6 month role initially and you will be working from home
- Hours are flexible and will be agreed with your Local Organiser

To apply please complete the [volunteer application form](#) and we will be back in touch within 7 working days.
